Notice of the 21st Annual General Meeting of Polar Capital Technology Trust plc (the 'Company')

Dear shareholder

I am pleased to be writing to you with details of our 21st Annual General Meeting (the 'AGM') which we are holding at Trinity House, Tower Hill, London EC3N 4DH on 7 September 2017 at 2.30pm. The formal notice of the AGM is set out on pages 5 and 6 of this document (the 'Notice of AGM').

I hope that you can attend the AGM where our portfolio manager Ben Rogoff will give a presentation and there will be an opportunity to ask questions.

If you are a shareholder and would like to vote on the resolutions but cannot come to the AGM, you can appoint a proxy to exercise all or any of your rights to attend, vote and speak at the AGM by using one of the methods set out in the notes to the Notice of AGM.

The purpose of this letter is to explain the business to be considered at the AGM.

Resolution 1 – To receive the Annual Report and Financial Statements

The first item of business is for the Annual Report and Audited Financial Statements for the year ended 30 April 2017 to be presented to the AGM. The Annual Report accompanies this Notice of AGM or is available from the Company's website. Shareholders will have an opportunity at the meeting to ask questions.

Resolutions 2 and 3 – Directors' Remuneration Report (pages 69 to 72 of the Annual Report)

Resolution 2 seeks approval to renew the forward looking Remuneration Policy which lasts up to three years. The current policy will expire in April 2018 unless renewed. The policy being presented for renewal is substantially the same as the current policy and will last until April 2021.

Resolution 3 seeks approval, on an advisory basis, of the Remuneration Implementation Report which looks back at the remuneration of the Directors for the year ended 30 April 2017.

Resolutions 4 to 8 – Election of Directors

The Company's Articles of Association require some Directors to retire at each AGM. As you will see in my Chairman's statement, I will not be seeking re-election alongside my fellow Directors at the AGM. As in previous years all the Directors are standing for re-election except Tim Cruttenden who being recently appointed stands for election as this is his first AGM. Biographies of each of the Directors can be found on pages 50 and 51 of the Annual Report.

The Board has confirmed, following a performance review that the Directors standing for re-election continue to perform effectively and demonstrate commitment to their roles.

Resolutions 9 and 10 – Appointment of Auditors

There is a requirement to appoint auditors at each general meeting at which accounts are laid before the Company, with the expectation that the auditor will then hold office until the next such meeting. Shareholders are required to approve the appointment of the company's auditors each year and to determine or authorise the Directors to determine the auditors' remuneration. Following the implementation of the Competition and Markets Authority Order on Statutory Audit Services, only the Audit Committee may negotiate and agree the terms of the auditors' service agreement. Resolution 9 covers the appointment of KPMG LLP following the audit tender process that took place during 2016 (details of which are set out on page 67 of the Annual Report) and Resolution 10 authorises the Audit Committee to determine their remuneration.

Resolution 11 – Allotment of Shares

Resolution 11 deals with the Directors' authority to allot ordinary shares. At the last AGM of the Company the Directors were given authority to allot ordinary shares in the capital of the Company. This authority expires at the end of this year's AGM.

Resolution 11 will, if passed, renew this authority to allot shares on broadly the same terms up to a nominal amount of £3,319,050, representing approximately 10 per cent. of the issued ordinary share capital of the Company as at 18 July 2017 (the latest practicable date prior to the production of this letter).

This authority will last until the next AGM of the Company, expected to be in September 2018. As at the date of this letter the Company does not hold any ordinary shares in treasury.

Resolution 12 – Disapplication of Statutory Pre-emption Rights

Resolution 12 will give the Directors authority to allot ordinary shares in the capital of the Company pursuant to the authority granted under Resolution 11 for cash without, in certain circumstances, complying with the pre-emption rights in the Companies Act 2006. This authority will permit the Directors to allot ordinary shares up to a maximum nominal value of £3,319,050, representing approximately 10 per cent. of the issued ordinary share capital of the Company as at 18 July 2017 (the latest practicable date prior to publication of this letter) otherwise than in connection with an offer to existing Shareholders. This authority also permits the Directors to sell any shares which may be held in treasury. The authority contained in Resolution 12 will expire upon the expiry of the general authority conferred in Resolution 11. As with Resolution 11, the terms of Resolution 12 are broadly the same as last year's resolution.

The Directors' policy on the issue of new ordinary shares is for the net issue price (after an allocation of costs) to be above the Net Asset Value per share (NAV). Furthermore, the Directors will only take the decision to allot new ordinary shares if they can see worthwhile opportunities for investing new funds.

The Directors consider that renewing the Company's share allotment authority is advantageous as any ordinary shares issued for cash will be at a price that will enhance NAV for existing ordinary Shareholders and may improve future liquidity. The Directors further believe that having the ability to ensure a ready supply of ordinary shares to the market should assist in avoiding the creation of an excessive and unsustainable share price premium to the NAV, which might increase the risks for new investors.

Since the AGM in September 2016, the Company has issued 425,841 any ordinary shares up to the date of this letter.

Resolution 13 – Authority to Purchase Ordinary Shares

Resolution 13 gives the Company authority to buy back its own ordinary shares in the market as permitted by the Companies Act 2006. If Resolution 13 is passed at the AGM, it is the Company's current intention to cancel or hold in treasury for later re-issue all of the ordinary shares it may purchase pursuant to the authority granted to it. The Directors believe that to make such purchases in the market at appropriate times and prices is a suitable method of enhancing shareholder value. The Company would, within guidelines set from time to time by the Board, make either a single purchase or a series of purchases, when market conditions are suitable, with the aim of maximising the benefits to Shareholders. Where purchases are made at prices below the prevailing NAV per ordinary share this will enhance the NAV for the remaining Shareholders. It is therefore intended that purchases would only be made at prices below the NAV. Your Board considers that it will be most advantageous to Shareholders for the Company to be able to make such purchases as and when it considers the timing to be favourable and therefore does not propose to set a timetable for making any such purchases.

Since the AGM in September 2016, the Company has not bought back any ordinary shares up to the date of this letter.

Letter from the Chairman continued

Resolution 13 limits the authority granted to the Board in line with the UK Listing Authority's rules, so that the number of shares that could be purchased does not exceed a maximum of £4,975,255, representing approximately 14.99 per cent. of the Company's issued ordinary share capital as at 18 July 2016 (the latest practicable date prior to publication of this letter). The Resolution sets the maximum price that may be paid by the Company to 105 per cent. of the average middle-market quotation for an ordinary share on the 5 business days immediately preceding the date of the relevant purchase or the higher of the last independent trade and the highest independent bid. The minimum price to be paid will be 25p per ordinary share (being the nominal value per share).

The authority will last until the next AGM of the Company to be held in 2018 or when the whole of the 14.99 per cent. has been utilised, whichever is earlier.

Any ordinary shares issued from treasury will follow institutional guidelines for issue of treasury shares.

Recommendation

The Board as at the date of this document considers the Resolutions will promote the success of the Company and are in the best interests of the Company and its Shareholders as a whole. The Directors unanimously recommend that you vote in favour of the Resolutions as they intend to do in respect of their own beneficial holdings which amount in aggregate to 302,688 ordinary shares representing approximately 2.3 per cent. of the existing issued ordinary share capital of the Company.

Yours sincerely

Michael Moule

Chairman

18 July 2017

Notes to the Notice of Meeting

Explanation of the resolutions is given in the Chairman's letter and Notes to the Notice of Meeting are contained on the following pages.

1. Only those ordinary Shareholders registered in the register of members of the Company at 6.30pm on 5 September 2017 (or, if the Meeting is adjourned, at 6.30pm on the day which is two days prior to any adjourned Meeting) shall be entitled to attend and vote at the Annual General Meeting ('the Meeting') in respect of the number of shares registered in their name at that time. Changes to entries on the relevant register of securities after 6.30pm on the 5 September 2017 will be disregarded in determining the rights of any person to attend or vote (and the number of votes they may cast) at the Meeting or any adjourned Meeting.
2. An ordinary shareholder entitled to attend and vote at the Meeting may appoint one or more proxies (who need not be members of the Company) to exercise all or any of his or her rights to attend, speak and vote at the Meeting. An ordinary shareholder can appoint more than one proxy in relation to the meeting provided that each proxy is appointed to exercise the rights attaching to different shares held by the ordinary shareholder. If two or more valid proxy forms are delivered or received in respect of the same share for use at the same Meeting, the one which was last sent shall be treated as replacing and revoking the others in their entirety. If the Company is unable to determine the one which was last sent, the one which is last received shall be so treated. If the Company is unable to determine either which is last sent or which is last received, none of them shall be treated as valid in respect of that share. Every ordinary shareholder who is present in person at a general meeting of the Company, and every person (not being himself or herself a member entitled to vote) who is present as proxy for a member entitled to vote, shall have one vote on a show of hands. On a poll, every ordinary shareholder who is present in person or by proxy shall have one vote for every share held by him or her.
3. A proxy does not need to be a member of the Company but must attend the Meeting to represent you. Your proxy could be the Chairman, another Director of the Company or another person who has agreed to attend to represent you. Your proxy will vote as you instruct and must attend the meeting for your vote to be counted. Details of how to appoint the Chairman or another person as your proxy using the proxy form are set out in the notes to the proxy form. Appointing a proxy does not preclude you from attending the Meeting and voting in person.
4. A corporation which is a member can appoint one or more corporate representatives who may exercise, on its behalf, all its powers as a member provided that no more than one corporate representative exercises powers over the same share.
5. In the case of joint holders, where more than one of the joint holders purports to appoint a proxy, only the appointment submitted by the most senior holder will be accepted. Seniority is determined by the order in which the names of the joint holders appear in the Company's register of members in respect of the joint holding (the first-named being the most senior).
6. A form of proxy is enclosed. To be valid the form of proxy must be completed and delivered (together with any authority under which it is executed or a copy of the authority certified notarially or in some other way approved by the Directors) to the office of the Registrar to the Company not less than 48 hours before the time appointed for holding the Meeting. The form of proxy should be returned to Equiniti Limited at the address given on the proxy.
7. The return of the form of proxy duly completed will not preclude a member from attending and voting in person at the Meeting.
8. CREST members who wish to appoint a proxy or proxies by utilising the CREST electronic proxy appointment service may do so by utilising the procedures described in the CREST Manual which can be viewed at www.euroclear.co.uk. CREST Personal Members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf. In order for a proxy appointment made by means of CREST to be valid, the appropriate CREST message (a 'CREST Proxy Instruction') must be properly authenticated in accordance with Euroclear UK & Ireland Limited's ('EUI') specifications and must contain the information required for such instructions, as described in the CREST Manual.
9. The message regardless of whether it constitutes the appointment of a proxy or an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the Company's agent (ID number RA 19) by not later than 48 hours before the time appointed for the holding of the meeting (i.e. by 2.30pm on 5 September 2017).

For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the Company's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.
10. The attendance at the Meeting of members and their proxies and representatives is understood by the Company to confirm their agreement to receive any communications made at the Meeting.
11. As at 18 July 2017 (being the latest business day prior to the publication of this Notice), the Company's issued ordinary share capital consists of ordinary shares of 25p each. The Company does not hold any ordinary shares in treasury. Therefore the total voting rights in the Company are 132,762,000.
12. A copy of this notice has been sent for information only to persons who have been nominated by a member to enjoy information rights under section 146 of the Companies Act 2006 (a 'Nominated Person').
13. The rights to appoint a proxy cannot be exercised by a Nominated Person: they can only be exercised by the member. However, a Nominated Person may have a right under an agreement between him and the member by whom he was nominated to be appointed as a proxy for the Meeting or to have someone else so appointed. If a Nominated Person does not have such a right or does not wish to exercise it, he may have a right under such an agreement to give instructions to the member as to the exercise of voting rights.
14. Members satisfying the thresholds in section 527 of the Companies Act 2006 can require the Company to publish a statement on its website setting out any matter relating to: (a) the audit of the Company's.
15. Accounts (including the auditor's report and the conduct of the audit) that are to be laid before the Meeting; or (b) any circumstance connected with an auditor of the Company ceasing to hold office since the last Annual General Meeting, that the members propose to raise at the Meeting. The Company cannot require the members requesting the publication to pay its expenses. Any statement placed on the website must also be sent to the Company's auditors no later than the time it makes its statement available on the website. The business which may be dealt with at the meeting includes any statement that the Company has been required to publish on its website.
16. Pursuant to section 319A of the Companies Act 2006, the Company must cause to be answered at the AGM any question relating to the business being dealt with at the AGM which is put by a member attending the meeting, except in certain circumstances, including if it is undesirable in the interests of the Company or the good order of the meeting that the question be answered or if to do so would involve the disclosure of confidential information.
17. In accordance with section 311A of the Companies Act 2006, the contents of this notice of meeting, details of the total number of shares in respect of which members are entitled to exercise voting rights at the AGM and, if applicable, any members' statements, members' resolutions or members' matters of business received by the Company after the date of this notice will be available on the Company's website: www.polarcapitaltechnologytrust.co.uk
18. You may not use any electronic address provided either in this Notice of Meeting or any related documents (including the Form of Proxy) to communicate with the Company for any purposes other than those expressly stated.
