12 noon on Tuesday 4 September 2012

The Royal Automobile Club, 89 Pall Mall, London, SW1Y 5HS

Shareholders' attention is drawn to the dress code at the Royal Automobile Club. Gentlemen are required to wear tailored business suits, or jackets and trousers, together with collared shirts and ties. Cravats are not permitted. Ladies are expected to dress with commensurate formality according to the occasion and within the spirit of this dress code.

Shareholders are requested to note these requirements and that the dress code will be enforced and the use of the facilities may be refused in the event of non-adherence.

**A form of proxy for ordinary shareholders is enclosed for your use at the Annual General Meeting. You are encouraged to complete the voting form according to the instructions on it and return the form as soon as possible. Appointment of a proxy will not prevent you from attending and voting at the meeting if you subsequently find that you are able to do so.**

**This notice of meeting is sent to subscription shareholders for information only**

**Dear ordinary shareholder and, for information purposes, subscription shareholder**

**Notice of the 16th Annual General Meeting of Polar Capital Technology Trust plc**

I am pleased to be writing to you with details of our 16th Annual General Meeting (the “AGM”) which we are holding at The Royal Automobile Club, 89 Pall Mall, London SW1Y 5HS on Tuesday 4 September 2012 at 12 noon. The formal notice of AGM is set out on pages 6 to 9 of this document.

If you are an ordinary shareholder and would like to vote on the resolutions but cannot come to the AGM, you can appoint a proxy to exercise all or any of your rights to attend, vote and speak at the AGM by using one of the methods set out in the notes to the notice of AGM.

If you are a subscription shareholder this notice is being sent to you for information purposes only since you are not entitled to attend or vote at the AGM.

The purpose of this letter is to explain the business to be considered at the AGM.

**Resolution 1 – To receive the Annual Report and Accounts**

The Annual Report and Accounts for the year ended 30 April 2012 will be presented to the AGM. These accounts accompanied this Notice of Meeting and shareholders will be given an opportunity at the meeting to ask questions.

**Resolution 2 – Remuneration Report**

It is mandatory for all listed companies to put their Report on Directors’ Remuneration to an advisory shareholder vote. As the vote is advisory it does not affect the actual remuneration paid to any individual Director. The Report on Directors’ Remuneration is set out in full in the Annual Report on pages 58 to 60.

**Resolutions 3 to 9 – Election of Directors**

The UK Corporate Governance Code requires any company which is part of the FTSE350 Index to propose all directors for re-election at every AGM. Resolutions 3 to 9 deal with the re-election of each Director. Biographies of each of the Directors can be found on pages 36 and 37 of the Annual Report. The Board has confirmed, following a performance review, that the Directors standing for re-election continue to perform effectively and demonstrate commitment to their roles.

**Resolutions 10 and 11 – Re-appointment of auditors**

Resolution 10 relates to the re-appointment of Pricewaterhousecoopers LLP as the Company’s independent auditors to hold office until the next AGM of the Company and Resolution 11 authorises the Directors to set their remuneration.

**Resolution 12 – Allotment of shares**

Resolution 12 deals with the Directors’ authority to allot shares. At the last AGM of the Company held on 4 August 2011, the Directors were given authority to allot ordinary shares in the capital of the Company up to a maximum nominal amount of £1,581,223 representing approximately 5% of the Company’s then issued ordinary share capital. This authority expires at the end of this year’s AGM.

Resolution 12 will, if passed, renew this authority to allot shares on broadly the same terms but up to a nominal amount of £3,205,200, representing approximately 10% of the issued ordinary share option of the Company as at 9 July 2012 (the latest practicable date prior to the production of this letter).

This authority will last until the next AGM of the Company or, if earlier, 15 months after the passing of the Resolution.

As at the date of this letter the Company does not hold any ordinary or subscription shares in treasury.

### **Resolution 13 – amendment of the Company’s investment policy**

As described in the Chairman’s statement in the Annual Report, the Board feels it is sensible to propose amendments to the Company’s investment policy. Resolution 13 deals with the approval of the revised investment policy in accordance with the requirements of the UK Listing Authority’s rules.

The principal change proposed to be made is to remove the existing investment restriction which states that the largest single investment that may be held in the portfolio is limited to 5 per cent. of the Company’s portfolio at the time of acquisition. As described in the Annual Report, the Board considers that this restriction is no longer appropriate given that certain stocks within the Company’s benchmark index currently represent a significantly greater proportion than 5 per cent. of that index, particularly Apple Inc. The Board considers that the ability of the Company’s manager to invest in and divest from stocks within the benchmark index is, as a result, unduly constrained under the existing investment policy and would propose to remove the restriction. The Company would, however, retain a restriction that it shall not have a holding in another company that represents more than 10 per cent. of the Company’s gross assets from time to time, save where the weighting of such company in the Company’s benchmark index exceeds this level, in which case the Company will be permitted to increase its exposure to such investee company up to the benchmarks neutral weighting of that company or, if lower, 20% of the Company’s gross assets.

In addition, certain changes are being proposed in order to reflect changes in the legislation and UK Listing Authority rules applicable to UK investment trusts listed on the London Stock Exchange, such as the Company. The proposed investment policy therefore includes updates to some of the investment restrictions which were imposed by the previous rules and have fallen out of date.

The Company’s existing investment policy is set out on pages 39 and 40 of the Annual Report and the text of its proposed new investment policy is set out in full in Resolution 13.

### **Resolution 14 – adoption of new Articles**

The Company proposes to adopt new articles of association. The only substantive change proposed to the current articles of association is to reflect recent changes in the provisions of the Companies Act 2006 applicable to investment companies, under which the restriction on distributions of capital profits by investment companies has been removed. Article 122 of the Company’s articles of association has been amended to remove that restriction from the Company’s articles.

A copy of the proposed new articles of association will be available for inspection at the Company’s registered office from the date of this letter until the conclusion of the AGM and at the place of the AGM for at least 15 minutes before and during the AGM.

### **Resolution 15 – Disapplication of statutory pre-emption rights**

Resolution 15 will give the Directors authority to allot ordinary shares in the capital of the Company pursuant to the authority granted under Resolution 12 for cash without complying with the pre-emption rights in the Companies Act 2006 in certain circumstances. This authority will permit the Directors to allot ordinary shares up to a maximum nominal value of £3,205,200, representing approximately 10% of the issued ordinary share capital of the Company as at 9 July 2012 (the latest practicable date prior to publication of this letter) otherwise than in connection with an offer to existing shareholders. The authority contained in Resolution 15 will expire upon the expiry of the general authority conferred in Resolution 12. As with Resolution 12, the terms of Resolution 15 are broadly the same as last year’s resolution.

The Directors’ policy on the issue of new ordinary shares is for the net issue price (after costs) to be above the fully diluted NAV per ordinary share and the Board will limit the overall issue of new ordinary shares to the total number of ordinary shares previously purchased and cancelled up to the date of allotment. Furthermore, the Directors will only take the decision to allot new ordinary shares if it can see worthwhile opportunities for investing new funds.

The Directors consider that renewing the Company's share allotment authority is advantageous as any ordinary shares issued for cash will be at a price that will enhance NAV for existing ordinary shareholders and may improve future liquidity. The Directors further believe that having the ability to ensure a ready supply of ordinary shares to the market should assist in avoiding the creation of an excessive and unsustainable share price premium to the NAV, which might increase the risks for new investors.

Since the last AGM and up to 30 April 2012, 600,000 ordinary shares have been issued at a premium to the NAV per ordinary share. In addition 496,812 subscription shares have exercised their subscription rights to subscribe for 496,812 ordinary shares at a subscription price of 401p per ordinary share between 31 March 2012 and 87 subscription shares have exercised their subscription rights for 87 ordinary shares at a subscription price of 478p per ordinary share between 1 April 2012 and 9 July 2012.

#### **Resolution 16 – Authority to purchase ordinary shares**

Resolution 16 gives the Company authority to buy back its own ordinary shares in the market as permitted by the Companies Act 2006. If Resolution 16 is passed at the AGM, it is the Company's current intention to cancel all of the ordinary shares it may purchase pursuant to the authority granted to it. The Directors believe that to make such purchases in the market at appropriate times and prices is a suitable method of enhancing shareholder value. The Company would, within guidelines set from time to time by the Board, make either a single purchase or a series of purchases, when market conditions are suitable, with the aim of maximising the benefits to shareholders. Where purchases are made at prices below the prevailing fully diluted net asset value per share, this will enhance the fully diluted net asset value for the remaining shareholders. It is therefore intended that purchases would only be made at prices below the fully diluted net asset value. Your Board considers that it will be most advantageous to shareholders for the Company to be able to make such purchases as and when it considers the timing to be favourable and therefore does not propose to set a timetable for making any such purchases.

The Company has not bought back any ordinary shares during the course of the financial year to 30 April 2012 and has not bought back any in the period to 9 July 2012.

The Resolution limits the authority granted to the Board in line with the UK Listing Authority's rules, so that the number of shares that could be purchased does not exceed a maximum of 19,218,383 (representing approximately 14.99% of the Company's issued ordinary share capital as at 9 July 2012 (the latest practicable date prior to publication of this letter)). The Resolution sets the maximum price that may be paid by the Company to 105% of the average middle-market quotation for an ordinary share on the 5 business days immediately preceding the date of the relevant purchase or the higher of the last independent trade and the highest independent bid. The minimum price to be paid will be 25p per ordinary share (being the nominal value per share).

The authority will last until the next AGM of the Company to be held in 2013 or the whole of the 14.99% has been utilised, whichever is earlier.

#### **Resolution 17 – Authority to purchase subscription shares**

Resolution 17 renews the authority granted at the AGM in 2011 to the Company to buy back its own subscription shares in the market as permitted by the Companies Act 2006.

If Resolution 17 is passed at the AGM, it is the Company's current intention to cancel all of the subscription shares it may purchase pursuant to the authority granted to it. The Directors believe that to make such purchases in the market at appropriate times and prices is a suitable method of enhancing shareholder value. In making such purchases the Company will have regard to the intrinsic benefit to ordinary shareholders of making subscription share purchases and there should be no expectation that purchases of subscription shares will be made pro rata to purchases of ordinary shares. The Company would, within guidelines set from time to time by the Board, make either a single purchase or a series of purchases, when market conditions are suitable, with the aim of maximising the benefits to shareholders. Your Board

considers that it will be most advantageous to shareholders for the Company to be able to make such purchases as and when it considers the timing to be favourable and therefore does not propose to set a timetable for making any such purchases.

The Company has not bought back any subscription shares during the course of the financial year to 30 April 2012, and has not bought back any in the period to 9 July 2012.

The Resolution limits the authority granted to the Board in line with the UK Listing Authority's rules, so that the number of subscription shares that could be purchased does not exceed a maximum of 3,717,247 (representing approximately 14.99% of the Company's issued subscription share capital as at 9 July 2012 (the latest practicable date prior to publication of this letter)). The Resolution sets the maximum price that may be paid by the Company to 105% of the average middle-market quotation for a subscription share on the 5 business days immediately preceding the date of the relevant purchase or the higher of the last independent trade and the highest independent bid. The minimum price to be paid will be 1p per subscription share (being the nominal value per share).

The authority will last until the next AGM of the Company to be held in 2013 or the whole of the 14.99% has been utilised, whichever is earlier.

#### **Recommendation**

The Board as at the date of this document considers the Resolutions will promote the success of the Company and are in the best interests of the Company and its shareholders as a whole. The Directors unanimously recommend that you vote in favour of the Resolutions as they intend to do in respect of their own beneficial holdings which amount in aggregate to 301,402 ordinary shares representing approximately 0.24% of the existing issued ordinary share capital of the Company.

Yours sincerely

**Michael Moule**  
**Chairman**

13. THAT the investment policy of the Company set out below be and is hereby adopted as the investment policy of the Company in substitution for any previous statement of the Company's investment policy:

#### Investment Objective

The Company's investment objective is to maximise long-term capital growth by investing in a diversified portfolio of technology companies around the world.

#### Asset Allocation

Technology may be defined as the application of scientific knowledge for practical purposes and technology companies are defined accordingly. While this offers a very broad and dynamic investing universe and covers many different companies, the portfolio of the Company (the "Portfolio") is focused on technology companies which use technology or which develop and supply technological solutions as a core part of their business models. This includes areas as diverse as information, media, communications, environmental, healthcare and renewable energy, as well as the more obvious applications such as computing and associated industries.

The Portfolio is constructed without specific reference to any individual market, index or benchmark and the board of Directors of the Company (the “Board”) regularly discusses asset allocation. The Board has agreed a set of parameters which are based upon current market conditions and provides a range which guides the investment manager of the Company (the “Investment Manager”) depending on market conditions and future expectations. The Board believes that this provides the necessary flexibility for the Investment Manager to pursue the investment objective, given the dynamic and rapid changes in the field of technology, while maintaining a spread of investments.

The Company has a benchmark of the Dow Jones World Technology Index (total return, sterling adjusted) against which net asset value performance of the Company is measured for the purpose of assessing performance fees (the “Benchmark”). However, the Benchmark is neither a target nor an ideal investment strategy. The purpose of the Benchmark is to set a reasonable return for shareholders of the Company (“Shareholders”) above which the Investment Manager is entitled to a share of the extra performance it has delivered.

#### Risk Diversification

The Company will at all times invest and manage its assets in a manner that is consistent with spreading investment risk and invests in a Portfolio comprised primarily of international quoted equities which is diversified across both regions and sectors.

The Company will satisfy the following investment restrictions:

- The Company’s interest in any one company will not exceed 10 per cent. of the gross assets of the Company from time to time, save where the Benchmark weighting of any investee company in the Company’s portfolio exceeds this level, in which case the Company will be permitted to increase its exposure to such investee company up to the Benchmark ‘neutral’ weighting of that company or, if lower, 20 per cent. of the Company’s gross assets.
- The Company will have a maximum exposure to companies listed on emerging markets (as defined by the MSCI Emerging Markets Index) of 25 per cent. of its gross assets from time to time.
- The Company may invest in unquoted companies from time to time, subject to prior Board approval. Investments in unquoted companies in aggregate will not exceed 10 per cent. of the gross assets of the Company (measured at the time of acquisition of the relevant investment and whenever the Company increases the relevant holding).

In addition to the restrictions set out above, the Company is subject to Chapter 15 of the Listing Rules applicable to closed ended investment companies with a premium listing on the Official List. In order to comply with the current Listing Rules, the Company will not invest more than 10 per cent. of its total assets at the time of acquisition in other listed closed ended investment funds, whether managed by the Investment Manager or not. This restriction does not apply to investments in closed ended investment funds which themselves have published investment policies to invest no more than 15 per cent. of their total assets in other listed closed ended investment funds. However, the Company will not in any case invest more than 15 per cent. of its total assets in other closed ended investment funds. The Company must not conduct any trading activity which is significant in the context of its group as a whole.

The Company seeks to manage its Portfolio in such a way as to meet the tests set down in Sections 1158 and 1159 of the Corporation Tax Act 2010 (as amended by Section 49(2) of the Finance Act 2011) and will operate in accordance with the investment restrictions imposed by the UK investment trust rules.

#### Borrowing, cash and derivatives

The Company may borrow money to invest in the Portfolio over both the long and short term. Any commitment to borrow funds is agreed by the Board. The Company’s articles of association permit borrowings up to the amount of its paid up share capital plus capital and revenue reserves but any net borrowings in excess of 20 per cent. of the Company’s net assets at the time of drawdown will only be made with the approval of the Board.

From time to time the Company may hold cash or near cash equivalents if the Investment Manager believes that these will, at a particular time or over a period, enhance the performance of the Portfolio. The management of cash is through the purchase of appropriate government bonds, money market funds or bank deposits depending on the Investment Manager’s view of the investment opportunities.

The Investment Manager may also use from time to time derivative instruments as approved by the Board such as financial futures, options, contracts-for-difference and currency hedges. These are used for the purpose of efficient portfolio management. Any such use of derivatives will be made in accordance with the Company's policies on spreading investment risk as set out in this investment policy and any leverage resulting from the use of such derivatives will be subject to the restrictions on borrowings set out above.

#### Changes to investment policy

Any material change to the investment policy will require the approval of the Shareholders by way of an ordinary resolution at a general meeting. The Company will promptly issue an announcement to inform Shareholders and the public of any change of its investment policy.

**To consider and, if thought fit, pass resolutions 14 to 17 as Special Resolutions** (a special resolution is one that requires a majority of at least 75% of those present and voting to be passed):

14. THAT the Articles of Association produced to the meeting and signed by the Chairman for the purposes of identification be and are hereby approved and adopted as the new Articles of Association of the Company in substitution for, and to the exclusion of, the existing Articles of Association, with effect from the conclusion of the 2012 Annual General Meeting.
15. THAT, subject to the passing of resolution 12, the Directors be and are hereby empowered pursuant to Section 571 of the Companies Act 2006 (the "Act") to allot equity securities (within the meaning of Section 560 of the Act) wholly for cash pursuant to the authority conferred by resolution 12 as if sub-section (1) of Section 561 of the Act did not apply to any such allotment PROVIDED THAT this power shall be limited:
  - (i) to the allotment of equity securities whether by way of a rights issue, open offer or otherwise to ordinary shareholders and/or holders of any other securities in accordance with the rights of those securities where the equity securities respectively attributable to the interests of all ordinary shareholders and/or such holders are proportionate (or as nearly as may be) to the respective numbers of ordinary shares and such equity securities held by them (or as otherwise allotted in accordance with the rights attaching to such equity securities) subject in either case to such exclusions or other arrangements as the Directors may deem necessary or expedient in relation to fractional entitlements or legal or practical problems arising under the laws of any overseas territory or the requirements of any regulatory body or stock exchange or any other matter whatsoever; and
  - (ii) to the allotment (otherwise than pursuant to sub-paragraph (i) above) of equity securities up to a maximum aggregate nominal value of £3,205,200 (being 10% of the Company's issued ordinary share capital on 9 July 2012) at a price per share not less than the net asset value per ordinary share of the Company;

and shall expire at the conclusion of the next Annual General Meeting of the Company after the passing of this resolution or if earlier, 15 months after the passing of this resolution, save that the Directors may before such expiry make an offer or agreement which would or might require equity securities to be allotted after such expiry and the Directors may allot securities in pursuance of such an offer or agreement as if the power conferred hereby had not expired.

16. THAT the Company be and is hereby generally and unconditionally authorised pursuant to Section 701 of the Companies Act 2006 (the "Act") to make market purchases (within the meaning of Section 693 of the Act) of ordinary shares of 25p each in the capital of the Company, on such terms and in such manner as the Directors may from time to time determine PROVIDED THAT:
  - (i) the maximum number of ordinary shares hereby authorised to be purchased shall be 19,218,390;
  - (ii) the minimum price which may be paid for an ordinary share is 25p;
  - (iii) the maximum price payable by the Company for each ordinary share is the higher of:
    - (a) 105 per cent. of the average of the middle market quotations of the ordinary shares for the five business days prior to the date of the market purchase; and

- (b) the higher of the price of the last independent trade and the highest current independent bid as stipulated by Article 5(1) of Commission Regulation (EC) 22 December 2003 implementing the Market Abuse Directive as regards exemptions for buyback programmes and stabilisation of financial instruments (No. 2233/2003)
  - (iv) the authority hereby conferred shall expire at the conclusion of the next Annual General Meeting of the Company after the passing of this resolution or, if earlier, on the expiry of 12 months from the passing of this resolution, unless previously renewed, varied or revoked by the Company in general meeting; and
  - (v) the Company may make a contract to purchase ordinary shares under the authority hereby conferred prior to the expiry of such authority, which contract will or may be executed wholly or partly after the expiration of such authority, and may purchase as ordinary shares pursuant to any such contract.
17. THAT the Company be and is hereby generally and unconditionally authorised in accordance with section 701 of the Companies Act 2006 (the "Act") to make market purchases of subscription shares (within the meaning of section 693 of the Act) PROVIDED THAT:
- (i) the maximum number of subscription shares hereby authorised to be purchased is 3,717,260;
  - (ii) the minimum price excluding expenses which may be paid for a subscription share shall be 1p;
  - (iii) the maximum price excluding expenses payable by the Company for each subscription share is the higher of:
    - (a) 105 per cent. of the average of the middle market quotations of the subscription shares for the five business days prior to the date of the market purchase; and
    - (b) the higher of the price of the last independent trade and the highest current independent bid as stipulated by Article 5(1) of Commission Regulation (EC) 22 December 2003 implementing the Market Abuse Directive as regards exemptions for buyback programmes and stabilisation of financial instruments (No. 2233/2003);
  - (iv) the authority hereby conferred shall expire at the conclusion of the next Annual General Meeting of the Company after the passing of this resolution or, if earlier, on the expiry of 12 months from the passing of this resolution, unless previously renewed, varied or revoked by the Company in general meeting; and
  - (v) the Company may make a contract to purchase its subscription shares under the authority hereby conferred prior to the expiry of such authority, which contract will or may be executed wholly or partly after the expiry of such authority, and may purchase its subscription shares in pursuance of any such contract.

Explanation of the resolutions is given in the Chairman's letter and Notes to the Notice of Meeting are contained on the following pages.

1. Only those ordinary shareholders registered in the register of members of the Company at 6.00pm on 2 September 2012 (or, if the Meeting is adjourned, at 6.00pm on the day which is two days prior to any adjourned Meeting) shall be entitled to attend and vote at the Annual General Meeting (“the Meeting”) in respect of the number of shares registered in their name at that time. Changes to entries on the relevant register of securities after 6.00pm on the 2 September 2012 will be disregarded in determining the rights of any person to attend or vote (and the number of votes they may cast) at the Meeting or any adjourned Meeting.
2. An ordinary shareholder entitled to attend and vote at the Meeting may appoint one or more proxies (who need not be a member of the Company) to exercise all or any of his or her rights to attend, speak and vote at the Meeting. An ordinary shareholder can appoint more than one proxy in relation to the meeting provided that each proxy is appointed to exercise the rights attaching to different shares held by the ordinary shareholder. If two or more valid proxy forms are delivered or received in respect of the same share for use at the same Meeting, the one which was last sent shall be treated as replacing and revoking the others in their entirety. If the Company is unable to determine the one which was last sent, the one which is last received shall be so treated. If the Company is unable to determine either which is last sent or which is last received, none of them shall be treated as valid in respect of that share. Every ordinary shareholder who is present in person at a general meeting of the Company, and every person (not being himself or herself a member entitled to vote) who is present as proxy for a member entitled to vote, shall have one vote on a show of hands. On a poll, every ordinary shareholder who is present in person or by proxy shall have one vote for every share held by him or her.
3. A proxy does not need to be a member of the Company but must attend the Meeting to represent you. Your proxy could be the Chairman, another Director of the Company or another person who has agreed to attend to represent you. Your proxy will vote as you instruct and must attend the meeting for your vote to be counted. Details of how to appoint the Chairman or another person as your proxy using the proxy form are set out in the notes to the proxy form. Appointing a proxy does not preclude you from attending the Meeting

and voting in person. If you attend the Meeting in person, your proxy appointment will automatically be terminated.

4. A form of proxy is enclosed. To be valid the form of proxy must be completed and delivered (together with any authority under which it is executed or a copy of the authority certified notarially or in some other way approved by the Directors) to the office of the Registrar to the Company not less than 48 hours before the time appointed for holding the Meeting. The form of proxy should be returned to Equiniti Limited at the address given on the proxy.

The return of the form of proxy duly completed will not preclude a member from attending and voting in person at the Meeting.

CREST members who wish to appoint a proxy or proxies by utilising the CREST electronic proxy appointment service may do so by utilising the procedures described in the CREST Manual which can be viewed at [www.euroclear.co.uk/crest](http://www.euroclear.co.uk/crest). CREST Personal Members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf. In order for a proxy appointment made by means of CREST to be valid, the appropriate CREST message (a “CREST Proxy Instruction”) must be properly authenticated in accordance with Euroclear UK & Ireland Limited’s (EUI) specifications and must contain the information required for such instructions, as described in the CREST Manual. The message regardless of whether it constitutes the appointment of a proxy or an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the Company’s agent (ID number RA 19) by not later than 48 hours before the time appointed for the holding of the meeting (i.e. by 12 noon on 2 September 2012). For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the Company’s agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

5. The attendance at the Meeting of members and their proxies and representatives is understood by the Company to confirm their agreement to receive any communications made at the Meeting.
6. As at 9 July 2012 (being the latest business day prior to the publication of this Notice), the Company's issued ordinary share capital consists of 128,208,110 ordinary shares of 25p each and 24,798,266 subscription shares of 1p each. The subscription shares carry no voting rights except on matters pertaining to the subscription share rights. The Company does not hold any ordinary shares in treasury. Therefore the total voting rights in the Company are 128,208,110.
7. A copy of this notice has been sent for information only to persons who have been nominated by a member to enjoy information rights under section 146 of the Companies Act 2006 (a "Nominated Person"). The rights to appoint a proxy cannot be exercised by a Nominated Person: they can only be exercised by the member.
